Status:	Permanent, Part time
Location:	Newington
Responsible to:	Nurse Manager Day Surgery Unit
Responsible for:	Nil
Collaborates with:	Medical Officers Registered Nurses Sterilisation Technicians Assistants in Nursing Administration Officers

Our Organisation

Family Planning NSW is the leading provider of reproductive and sexual health services in NSW. As an independent not-for-profit organisation we offer expert clinical care, information and advice for everybody in every family as well as education and training and evidence-based research to support doctors, nurses and other professionals.

Family Planning NSW is committed to excellence in meeting the reproductive and sexual health needs of the community. We achieve this by providing best practice, accredited clinical services, enhancing the knowledge and skills of service providers, improving the body of knowledge about reproductive and sexual health through rigorous research and evaluation, and leading international development projects to promote the rights of marginalised people in developing countries.

Position Overview

The Enrolled Nurse (EN) plays an important role in supporting the operation of the Family Planning NSW Day Surgery Unit. This is a multi-faceted role which is responsible for providing clinical supports to the organisation including assisting medical officers and registered nurses with the care of clients in the Day Surgery Unit.

The position is responsible for the provision of high quality clinical care under the supervision of a Registered Nurse. The EN provides supports to clients before, during and after surgical procedures. The Enrolled Nurse collaborates with clinical and non-clinical staff to facilitate the smooth and effective operations of the Day Surgery Unit.

The Enrolled Nurse works within the multi-disciplinary team in the delivery of services which are safe, effective and client centred.

Selection Criteria

Essential

- Diploma of nursing and AHPRA registration as an Enrolled Nurse
 - If registered prior to 2015, must also have completed the following unit of study
Administer and Monitor Medicines and Intravenous Therapy HLTENN007 or equivalent
- Minimum 12 months experience in perioperative nursing and ability to provide intravenous medication
- High knowledge and understanding of the principles of infection control, including aseptic technique
- Demonstrated ability to support clients and provide assistance to the proceduralist during reproductive and sexual health procedures provided under anaesthetic or sedation
- Current CPR certificate

- Sound computer skills, including MS Office applications
- Proven strong interpersonal, negotiation, written and oral communication skills
- High level ability to manage competing demands and adapt effectively to change
- Demonstrated ability to perform tasks under the direction of the clinician with minimal supervision, as well as within a broader team

Desirable

- Experience in providing services to relevant population groups, particularly people from an Aboriginal and Torres Strait Islander background, CALD background, people with disability and/or young people
- Experience in reproductive and sexual health and/or abortion care

Values

- Must be pro-choice:
 - Fully support an individual's right to choose regarding their pregnancy, whether that be parenting, adoption/foster care or abortion
 - As an abortion service provider, all staff in the organisation are expected to actively participate in the provision of abortion services within the full scope of their role.
 - For this role, that includes supporting the provision of abortion procedures under anaesthetic, post operative care of clients undergoing abortion procedures and providing support to clients during abortion appointments as directed by the clinician.
- Must support the Family Planning NSW values:
 - Human rights focus - promoting the rights of all people to reproductive and sexual health
 - Integrity - maintaining a strong ethical base, being accountable and transparent
 - Inclusiveness - valuing and respecting diversity without judgement
 - Equity of access - ensuring access to our services for all including priority populations
 - Client centred - placing the needs of the whole person at the centre of our work
 - Commitment to excellence - ensuring high standards in all our work
 - A just culture – a balanced accountability for both individuals and the organisation

Other requirements

- A Criminal Record Check and Working with Children Check are required prior to commencement in this role.
- Vaccination/immunisation requirements apply to this role.

Key Responsibilities

Clinical support services

- Ensure clients' healthcare rights are upheld at all times
- Provide support to clients undergoing day surgery procedures under the direction of the clinician, including observing and monitoring vital signs, and providing refreshments
- Follow Family Planning NSW infection control guidelines, including aseptic technique
- Provide support to proceduralist in Day Surgery Unit including preparation of procedural equipment, instrument and circulating nurse responsibilities, cleaning of operating room between clients performing post-operative counts and checks

- Provide nursing care in post anaesthetic care unit, including administration of medications and observations
- Commit to maintaining best practice by adhering to the scope of practice and within clinical role boundaries defined by Australian College of Perioperative Nurses (ACORN) standards and the Australian and New Zealand College of Anaesthetists (ANZCA) standards
- Commit to maintaining up to date knowledge and appropriate skills in infection control
- Maintain a tidy environment in the clinical area, ensure stock levels are appropriate and manage inventory - including ordering and unpacking of consumables, checking expiry dates, monitoring stock levels
- Maintain records as required
- Any other duties within scope of the role as directed

Ongoing skill development

- Commit to maintain best practice by adhering to the scope of practice of the position and within role boundaries as defined by Family Planning NSW
- Receive and participate in appropriate support, training and supervision to achieve and maintain the necessary skills, knowledge and aptitude to perform the role
- Take personal responsibility for continuing skill development
- Attend mandatory training and in-service programs as required
- Ensure that all protocols, policies, procedures and circulated literature are read and acted upon

Safety & quality

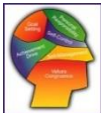

- Maintain the required qualifications and competencies to deliver high quality services
- Commit to on-going skill development and take responsibility to update knowledge, enhance skill and competency standards to perform within the context of work
- Adhere to Family Planning NSW's defined escalation and delegation policies and systems
- Apply defined guidelines, policies, procedures and protocols in a manner relevant and appropriate to the client's needs
- Adhere to the Incident Management Policy to report and escalate any issues within specified time frames
- Participate in performance development processes to identify skill development opportunities for continuous improvement
- Commit to share knowledge, provide support and supervision to less experienced staff

Work health and safety

- All employees are responsible to ensure they work in a manner which minimises the risk of injury to themselves, other workers, clients and visitors
- Managers are responsible for ensuring that safe work practices are in place and all employees abide by safety instructions
- Any potential risk should be reported to the employee's manager immediately for investigation and remedy
- Any breaches of safety procedures must be reported through the incident management procedures and any employee found breaching safety requirements will be subject to disciplinary

action which may include termination of employment
